**JDN Early Childhood Center**  
*A division of Bellefaire JCB*

JDN is available to help  
essential workers in our community  
with childcare needs during the  
Covid-19 pandemic.

Bellefaire Jewish Children's Bureau received a Temporary Pandemic Childcare License for our JDN Early Childhood Center to help essential workers (ONLY) in the community with childcare needs during this challenging time for families. One of the first early childhood programs to earn Ohio's Step Up To Quality's 5-star rating, JDN has the capacity to serve up to 42 children, with a maximum of just 6 children per class to ensure appropriate health and safety measures.
