

Monarch Center for Autism

at Bellefaire JCB

Academic Calendars & Policies Frequently Asked Questions

How will I be notified if an incident occurs?

If an incident occurs, including an event involving physical management, an incident report will be shared with parents or guardians within 24 hours by email or phone, based on their preferred method of communication.

What is Monarch's approach to restraint?

Monarch is committed to using the least restrictive interventions necessary to maintain safety. Staff are trained to recognize triggers and early signals, use de-escalation strategies, and follow individualized plans whenever appropriate. Physical restraint may be used only in an emergency when less restrictive interventions have not prevented harm to the student or others.

Parents or guardians with concerns related to restraint may contact Monarch School at 216-320-8945 or Bellefaire JCB's Client Advocate, Rashad Davis at 216-320-8305.

Does Monarch have an anti-harassment, anti-intimidation, or anti-bullying policy?

Monarch School is committed to providing an educational environment free from harassment, intimidation, and bullying and to protecting students from physical, verbal, and emotional abuse.
